

LOCAL & SUSTAINABLE FLOWERS: PISTIL FARM WEDDINGS, UNIONS & CEREMONY

A wedding was, in fact, the inspiration for Pistil Farm! In 2008, Lindsey grew flowers for her own wedding and started Pistil Farm the following summer. We're honored to be considered as potential growers and arrangers for yours.

Pistil Farm's style is very carefree, colorful and grounded. The farm only arranges with local flowers: if we run out of something, we'll be sourcing it from a friend.

Pistil Farm requests that all couples fill out a brief questionnaire on the Events and Parties page at pistilfarm.com. This will help us quickly determine if we're available for your event and if we grow the types of flowers that you're looking for. Because of our small size, we can only schedule a few weddings per season.

Event price list, 2010:

For the people:

Bouquet: \$40-100
Boutonniere: \$12-20

For the room:

Small centerpiece: \$ 15-30
Medium centerpiece: \$40-80
Large centepiece: \$80+

Set-up and delivery:

\$50/hour

Do-it-yourself options:

More and more couples are interested in arranging their own flowers, which we encourage! Arranging your own flowers guarantees a unique event that's just the way you want it. If you're familiar with the flowers we grow, we can simply prepare buckets of loose stems; however, if you need some advice on what to choose and how to arrange your bouquets, we're more than happy to sit down and discuss. For our time, we do charge \$25/hour.
